

2027 Project Grad Board Minutes

May 12, 2026 at 6:00

Attendees: Michelle Hereford, Angie Masloski, Matt Watkins, Missy Hurrelbrink

Bank Account total is \$9,819.10

PayPal total is \$45.97

Total raised as of 5/12/26 = \$9,865.07

Notes from meeting with Dr. Bogard – Angie and Michelle

Parking spots - Weekends for parking spot painting August 1-2; backup painting date August 8-9

Changes are:

- a. The district will not be painting over current spots so families will not have a blank spot
- b. Parking spots will be numbered and cannot be painted over
- c. There will be a \$20 parking fee, the payment must be made out to the school for their spot. The cost of the reserved spot through Project Grad will be \$50, which can be paid by check to 2027 Project Grad, PayPal, or cash
- d. Families must write a \$20 check to the school

Applications due to board by 7/22 with payment of \$50 to Project Grad and \$20 check to PHS. Project Grad will submit spot applications to Dr. Bogart by 7/29.

Senior Sunrise is normally organized by the senior class president. The first day of school for seniors is August 13th. The only day football will not be using the field is Friday, August 14th so we will try to reserve that day.

Dr. Bogart said we can send meeting agendas, minutes, and any Project Grad information to him, and he will add it to his email blasts

Dr. Bogart suggested that for the senior gift, we consider partnering with a senior for their capstone project. The class of 2026 left hallway murals, which was completed by a senior for their capstone project

Powderpuff – anyone on the flag football team cannot play in the powder puff game per KSHSAA rules. We still want to do powderpuff for girls who aren't on the official team. Michelle and Jennifer will work to Mr. Gray.

Dr. Bogart said any fundraisers on school property cannot have live animals

Next big meeting with parents – look for an email in July

Next board meeting – Will be on zoom

Before end of the year:

Angie will send the board the parking spot application for the board to review.

Angie will get Bogart minutes and parking spot application so he can email it to students and parents.

Missy will find out date of homecoming. Missy will also ask about the parking fee

Angie – Ask web designer if can add a link to purchase items on the website. Do a link to a google doc
